PROFESSIONAL EXPERIENCE

Nov/14 – presente: DMcard Processamento de dados e central de atendimento

Agile expert/Scrum Master

Responsibilities

Coaching and mentoring teams in the Agile principles and SCRUM Framework

Helping teams in technical solutions, before been a Scrum Master I was a Full-Stack-Developer.

Main accomplishments

- Lead several scrum teams in the development of digital products like apps, chatBots, URA, Web Systems helping then removing impediments, uses of

programming languages, infrastructure, agile principles, agile methodologies, and DataBase

- Working as Scrum Master in agile teams and coaching/mentoring leaders who want to power up your teams and companies in digital transformation to develop market-fit products.

Worked with a team in the development of:

- DMCard app for customers to manage invoices, accounts, and products.
- Área do Cliente: web page for customers do the same thing of the app (<http://dmcard.com.br/portal/areacliente/>).
- Official WebPage of the company (<http://dmcard.com.br/portal/>).
- DMTRIX internal system for management of the process of the marketing department.
- ChatBot with IA on WhatsApp
- ChatBot on Web with reactJs
-

All the products mentioned above have been made using C# in the back-end, only DMTRIX(I've used PHP), JavaScript in the front-end (Angular, JQuery, ReactJs) and Apps with Xamarin Native (C#).

LANGUAGES

- Fluent in Brazilian Portuguese
- Advanced in English
